# The Simple Procedure Application to Change a Damages Management Order

**If you are applying for the sheriff to make orders:**

This is an Application to Change a Damages Management Order.

It is used where the court has made a damages management order (which is about how a sum of money awarded as damages is to be paid to and managed for a person under a legal disability), but you want the court to change the order.

You must fill in parts A, B and C of this application and send it to the court. If you are one of the parties, you must send a copy to the other party in this case. If you are an interested person, you must send a copy to every party.

**If you have been sent this Application:**

This is an Application to Change a Damages Management Order.

If the court grants this application, the damages management order will be changed as proposed in the application.

You have received the application because you are one of the parties in the case.

You must fill in part D of this application ('the reply') and return it to the court within 10 days of it being sent to you.

The court will then either grant the application and send written orders to the parties and the interested person, refuse the application and make no orders, or order you to appear at a discussion in court where the sheriff will consider whether to make any orders.
