The range of benefits the Scottish Courts and Tribunals Service (SCTS) offers employees is wide and varied, and non pay benefits form an important part of what we provide for our employees. Work-life Balance

The SCTS has various policies aimed at helping you balance the needs of your work and home life. These include a very generous Occupational Maternity scheme which, once you qualify for it, tops up your pay to its normal level for the 39 weeks of your Ordinary Maternity leave.

There are policies covering amongst other things:

- The SCTS Carer register;
- Flexible working hours;
- Part-time working; and
- Special leave, for example, paid time off for study or voluntary public service.

Award Winning Carer Positive Employer

The Scottish
Courts and
Tribunals
Service

Many SCTS employees have significant caring responsibilities, and some of those employees have formed the SCTS Carer Contact team which, along with our carer register, helps staff whose role as a carer makes work-life balance difficult to achieve.

In 2015 SCTS were proud winners of the 'Best for Carers and Eldercare award' at the Scottish Top Employers for Working Families Awards.

The SCTS is proud to be an Established Carer Positive employer, which is in recognition of how we support carers in the workplace. For more information on the Carer Positive Kitemark and what it means, visit

Funding for Corrective Glasses

All Optometrists are now offering free eye tests in Scotland. Eyecare Vouchers are accepted in over 90% of Optometrists in the United Kingdom. If your eye test reveals that you require corrective glasses for use with your VDU screen, SCTS will fund up to £55 towards your glasses. All you need to do is provide a stamped certificate to apply for this.

Vocational Qualifications (VQs)

SCTS offer staff the opportunity to work towards achieving VQs. VQs are work-related, competence-based qualifications, which are achieved by matching the skills and knowledge of candidates against nationally agreed standards. SCTS has a VQ team to support you in this.

Further Education

Every year SCTS provides a budget for staff who want to pursue further education courses, relevant to their employment with SCTS. The budget is usually allocated in June for courses starting in August/September.

Training

We provide a comprehensive training programme which all our employees can access. This includes the delivery of technical training across the Sheriff and JP courts. We also offer a range of leadership courses including the First Line Leadership programme, Leadership for Now and For the Future, and the Executive Development programme. If you are considering any of these courses please consult Delta or contact the [Education and Learning Unit](#) for more details.

Benenden HealthCare Society

Power of Attorney Fee Waiver

Having a Power of Attorney (POA) in place is a prudent life planning decision, much like making a will. The SCTS encourages all staff to grant a POA thereby appointing someone else to manage their financial affairs and or make decisions about their personal welfare in the event that they are no longer able to do so themselves.

Normally a registration fee of £70 applies for all POAs but under this scheme SCTS staff will be able to apply for this free of charge, with the organisation meeting the Tax and National Insurance cost of the benefit.

In order to be eligible for a fee exemption waiver you must:

- be a permanent SCTS member of staff on SCTS Terms and Conditions
- have satisfactorily passed your probation period
- have a minimum of 12 months service.

If the POA is needed for someone else close to you OPG can advise on the normal procedure and fees for doing this.

The SCTS Instant Reward scheme is designed as a motivational tool to reward staff who “go the extra mile” to deliver a piece of work.
