

SCTS PEOPLE COMMITTEE REMIT

1. The SCTS People Committee acts on behalf of the SCTS Board to ensure that SCTS staff have the skills, support and motivation, now and in the future, to fulfil the organisation's core functions as set out in the Judiciary and Courts (Scotland) Act 2008 and to meet its statutory and other obligations as an employer.

2. The Committee undertakes a strategic decision and scrutiny function on behalf of the Board. The Committee will:

- consider the implications for SCTS staff of the strategic decisions taken by the SCTS Board or its other Committees;
- scrutinises evidence on current levels of staff engagement, resourcing and deployment, morale, skills and qualifications;
- identify key risks and issues which undermine the ability of the SCTS to provide highly skilled and well- motivated staff now and in the future, and ensuring these are managed or mitigated effectively;
- review and agree strategic workforce planning, including career paths and the organisation's learning and development strategy; and
- ensure that the SCTS meets its statutory obligations as an employer (with the exception of health and safety obligations which are covered by the Estates Committee).

3. In relation to policy matters the Committee provides advice on the strategic direction of policy making and policies. The Committee will be given an opportunity of comment, in advance of formal consultation with the trade union side or other interests, in circumstances in which a proposed policy direction is likely to:

- be contrary to the strategic direction for people matters as set out in the SCTS People Strategy; or
- have a major financial impact to an extent as to require the Board to allocate additional funding not anticipated in the approved SCTS budget for the year; or
- represent a significant change in the terms and conditions of employees that may have a consequence for organisational performance.

Changes which are not material may be implemented by the Executive without prior approval by the Committee, but all changes should be notified to the Committee which is empowered to discuss them, and if necessary recommend further changes.

4. The attached annex sets out the outline delegated responsibilities from the SCTS Board to the People Committee, included within the SCTS Scheme of Delegation.

5. Day to day management of staff deployment, HR and associated matters is delegated to the Chief Executive and the delegated responsible Executive officers in line with responsibilities already agreed within the Scheme of Delegation.

6. The Committee will meet approximately quarterly.
